## At Our Town Cinemas

### Option #1:

- Private showing of a current release movie on our schedule or a favorite movie that you bring from home (preferably on Blu-Ray disc).
- These parties generally occur before normal operating hours with party starting at about 10am with the party being complete no later than 1pm (this can vary depending on the seasonal movie schedule). This option can normally be any day of the week.
- Rates for most parties are \$250 (covers the rental and movie for up to 40 partiers).
- The ONLY outside food or drink allowed is Birthday Cake / Cupcakes.

### Option #2:

- Private showing of a current release movie on our schedule or a favorite movie that you bring from home (preferably on Blu-Ray disc).
- These parties generally occur during normal operating hours and are basically a “buy out” of a current showtime so that the show is private to your group.
- Rates for most parties are \$350 for the auditorium that seats up to 40 and \$500 for the auditorium that seats up to 80. This option is NOT available on weekends and other busy times or when restricted by the movie studios.
- The ONLY outside food or drink allowed is Birthday Cake / Cupcakes.

### Option #3:

- Purchase advance tickets to a regular scheduled showtime at regular rates. This can be done from a week in advance to up to 60 days in advance if showtimes have been advertised on our website.
- Remaining tickets will be sold to other guests so the show will not be private.
- NO outside food allowed with this option including cake.

### Party Food & Beverage Options:

- Kids Combos for groups are only \$3.00 vs. the menu price of \$4.50 – this consists of a kids popcorn, drink and small skittles. (available for groups of 10 or more)
- Large size pizzas from Brickhouse Tavern can be catered for your party. Prices are \$12 for cheese pizzas; \$14 for one topping pizzas. (Not available with Option #3)
- Other items may be available – please ask about something of particular interest.
